President's Corner

Greetings from Region 4 President

In this issue of the Region 4 Newsletter, President Gary Olinger, has asked that we pass along information on the upcoming Region 4 Rally, so you will find descriptions of some of the activities and schedules. Please keep in mind that some of the details of the Rally will undoubtedly change as we get closer to the rally.

Let's start with the basics. The 40th Region 4 rally will be held at the Branch County Fairgrounds, 262 Sprague St, Coldwater, Michigan 49036, May 11 – 16.

Coldwater is in the middle south part of the state, about equidistant between Kalamazoo and Jackson, MI. The Fairgrounds is on the South side of town at the intersection of South Sprague and East Garfield.

Wednesday, May 11 is arrival day. The Rally starts with flag practice at 4:30, Served DINNER at 5:30 and Opening Ceremonies at 8:00.

Originally inhabited by the Potawatomi Native American Indians, and

later by settlers from New England and New York, it is the County Seat of Branch County. Coldwater sits squarely on Highway US-12 that evolved from the same trails used by the Potawatomi and settlers. Today it is part of the US-12 Heritage Trail and also home to “Michigan’s Longest Garage Sale” which will run from August 12 – 14 this year. The Coldwater area is also the home to a number of

Antique shops, including Donner Antiques, Museum Antiques, Old Village Antiques, and White Barn Auctions. And if you are a fan of Minnetonka Moccasins, the largest Minnetonka shop in the US is located in Coldwater at the Sauk Trail Trading Post.

Lofty Goals – Olympics Planning

Typically I'm not a person that is hard to please. However, I do like to see everyone have a good time with everything operating like a well-oiled machine—no worries. To me that's actually a very lofty goal. A bit high at times but none the less, something to shoot for.

Our Region President and First Lady are working hard to put together a Region 4 Rally that is well planned and fun for everyone. Marian (my first Lady), Karen (our Second Vice), Wally (Karen's First Mate) and I are trying to keep up with them and do our share in organizing the indoor and outdoor activities. We lean heavily on our Rally Committees to make it all come together (there's a huge Thank You! in that statement).

Adding excitement to the Rally along with conducting the annual meetings to run our club, is sometimes a little stressful but with the line-up of activities Gary and ShyrlAnn have put together, I think we will achieve our lofty goal.

Something Gary suggested for this year to encourage participation, is our "Olympics". We haven't finalized all the details but we expect to create an environment, with a little good natured competition, challenging and encouraging people to get involved in some of our traditional activities, to achieve feats of strength and endurance (outdoor/indoor games), to participate in the informational seminars, ie. Speed 'Streamin, and whatever else we can manage to inject into the process. I envision possibly two categories, "Ultimate Participant" for individuals and "Club Challenge Champions" for team entrants.

As I mentioned earlier, this "Olympics" process isn't finalized yet but we do have plugged into the schedule some specific "Olympic Events" time (outdoor/indoor) and have

scheduled all the other “participation” type activities. What remains is to firm up what we want to do for the formal “Olympic Events”, what events to score, how to track scores, and how big a trophy we need to buy (just kidding on the trophy-I think).

Since we have a couple months before the Region 4 Rally, I’m asking you to help us “oil this machine” and give me some of “your” ideas for the scoring process and some fun “Olympic” outdoor events. We have something in mind and have discussed it quite a bit but would like to hear from you too.

Gary and ShyrlAnn have nailed their part with a great program now we get a chance to add our Lofty Goals for the Olympics. My email is pophetzler@hotmail.com and my telephone number is 937-335-3301. Please give me call. Don Hetzler, 1VP.

Region 4 Genealogy Roundtable and Display

There is so much interest in finding out about your personal history, this year's Region Rally will help you discover how to get started and what other Airstreamers are doing with their family history.

On Saturday, May 14, 9:00am we will have a Genealogy Roundtable. Information, handouts, questions and answers will be led by Bev Kelly and Janet Kendig. Plan on spending a very interesting hour learning how to get started on your own personal family quest.

Sunday, May 15, 12:00pm members will have the opportunity to display their own collection of family history. We will have a table (more if needed) so you can bring your notebooks, pictures, charts or whatever you have to display and share. This will be at the same time as the Hobby Show but not judged.

I think it will be exciting to see all the different ways Airstreamers have collected their history. Hopefully you will come away with many ideas and maybe be inspired to look deeper into your past.

See You at the Roundtable.

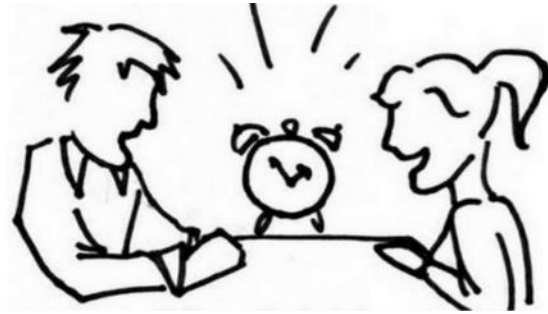

Parking at Coldwater

Ray Weithman reports the parking crew is looking forward to helping you get parked upon your arrival at the fairgrounds. Parking will be on Wednesday, May 11th, from 9:00am until 5:00pm, with a lunch break from 1:00 – 2:00.

Will your unit be caravanning to the rally? If so the parking crew needs some lead time to be ready for you. Please call Ray's cell at 419-512-3510 with your estimated arrival time.

You've heard of Speed Dating? Get ready for Speed 'Streaming'!

We are going to try something different at the upcoming Region 4 Rally. We have asked some of the best members in the Region to lead discussions on various topics of interest to our members. We will have seven people leading these discussions. The members will have four chances to join into these 30 minutes discussions, learning and at the same time adding your personal knowledge of the subject. Each member will have 10 minute to pick another leader and subject. We will plan on changing four times to a different subject and leader. Should be fun and different and give you a chance to meet your fellow Airstreamers. Hope you plan to participate in these discussions. We hope to see you on Thursday May 12 in Coldwater Michigan

Gary Auman
Region 4 membership Chairman

Replacing Your Numbers?

Perhaps the numbers on your rig are starting to look a little raggedy and you have decided it's time to replace them. The first problem is how to remove the old ones. Andy Rogozinski , the Airstream Expert from Inland RV recommends this method.

- The trick is to use steam, just heating with a hair dryer or heat gun will dry out the vinyl and make it more difficult to remove.
- Place a wet towel over one number, then place an iron on top of the towel.
- Move the iron up and down or in a circle, depending in which number you're removing.
- That will soften the adhesive that is holding the number in place.
- After a couple of minutes, simply peel the number off.
- No mess, no fumes, no rubber gloves, no toxics, no plasticcoat damage, no expense, and "no" numbers.

National Park Service Centennial

On August 25, 2016, the National Park Service turns 100!

The Centennial will celebrate the achievements of the past 100 years, but it is really about the future. It's about kicking off a second century of stewardship for

America's national parks and for communities across the nation.

And in honor of the Centennial, Airstream has commissioned a yearlong tour of 59 National Parks by Photographer Jonathan Irish. Irish and his group will follow a unique route to capture the best of each park by December 31, 2016. Each month the group will post a description of the park and their adventure to their blog. So far they have visited Hot Springs National Park, Mammoth Cave National Park, and Great Smokey Mountains National Park among others.

You can follow along by visiting the web page: <https://www.airstream.com/world-jonathan-irish/> , the Facebook page : <https://www.facebook.com/airstream/?ref=hl> , or following on twitter @Airstream_Inc .

Habitat Rally

For several years Rick Richardson has promoted participation in Habitat for Humanity housing builds by sponsoring rallies for WBCCI volunteers. Rick is at it again for 2016 and provided these details.

Habitat for Humanity is a nonprofit, ecumenical Christian housing organization building simple, decent, affordable housing in partnership with people in need. Since 1976, Habitat has helped 6.8 million people find strength, stability and independence through safe, decent and affordable shelter.

This is the 4th year the Mahoning Valley Ohio Unit will hold a Habitat for Humanity Rally. The Rally will be held May 17 – 21, 2016 at the Flying Finn Campground, East Palestine, Ohio. Each volunteer will make their own reservations with the campground, but we have asked the campground to park volunteers together.

There will be a get acquainted/organizational meeting late Tuesday afternoon. The build will be Wednesday the 18th through Saturday the 21st.

The project this year will be to start construction on a brand new house. We'll gather at 8:00 AM each morning and begin with a brief devotional. Then there is a break about 10:00 AM, lunch at noon, and we quit before 3:00 PM. Work is available for all skill levels and although tools are furnished most folks bring their own tool belt, hammer, tape measure, small square, etc. In the past some lunches have been provided and we are sure to get together for supper several times during the rally.

For more information on the Campground go to <http://www.flyingfinncampground.com/>

For more information on Habitat go to: <http://www.habitatofncc.org/> and if you are interested in helping, please call Rick Richardson 440-812-6490 or email to: rickelaineHQ@gmail.com .
